

Omaha, NE—March 23rd, 2026 – FOR IMMEDIATE RELEASE

The USS Omaha Memorial Action Committee is holding a very special memorial relaunch of the USS Omaha SSN 692 on Saturday, May 16th, 2026 from 12:00 until 2:00pm at Levi Carter Park, just south of the Omaha Airport, located between Abbott Drive and Levi Carter Lake.

NewsRadio 1110 KFAB will be on hand to broadcast live during this historic event. Scott Voorhees, KFAB Program Director, will serve as emcee.

“I, along with the entire KFAB Radio staff, are very excited to be a part of this memorial relaunch,” said Scott Voorhees. “It will be an honor to help with this renewed effort to honor the ship and crew of the USS Omaha SSN 692 submarine.”

Many distinguished guest speakers will also be in attendance to honor this milestone. The public will have the opportunity to meet and greet former USS Omaha sailors and crewmembers as well as other former and current submariners and local military members.

Upon completion, the site will also include a Gold Star Memorial for families who have lost loved ones serving in the military. The local Nebraska Federated Garden Clubs lead for Gold Star Memorials plans to attend the relaunch.

Locally owned Chesterman Coca Cola Company will provide complimentary water and soft drinks. Sgt. Peffer’s Café Italian Saddle Creek will provide light hors d'oeuvres of Italian sausage bites, meatball chunks and BBQ meatballs as well as a vegan option of homemade bruschetta for attendees (while supplies last).
